CAMPUS PLANS MORE STUDENT HOUSING

The university administration is considering plans for more student housing on campus to accommodate a growing student population. The proposed developments would include upgraded facilities and additional living spaces to provide a more comfortable and convenient living environment for students.

Mental Health Services

Emud asks for water ouback

The Emud organization is seeking donations of water bottles and backpacks for students in remote areas. The organization aims to provide these essential items to students who may not have access to them, to ensure their well-being.

ACSE to hold strike May 34

The American Chemical Society (ACSE) is planning to hold a strike on May 34. The organization is calling for a boycott of certain products as a form of protest against the company's policies and practices.
