*AC enrollments total each enrollment per class from Summer 2017 to Summer 2020. Campus headcount is the aggregation of Summer 2017 - Summer 2020 headcounts.

American Cultures Instructors

“AC Instructors” from Summer 2019 – Fall 2020

- The majority of faculty members who supported the AC curriculum during this period were AC Non-Professors (i.e., anyone who is not an Assistant Professor, Associate Professor, Professor, or Emeritus Professor)

AC Instructors by Departments from Summer 2019 to Fall 2020

- Almost twice as many departments hired “AC Non-Professors” than “AC Professors” from Summer 2019 to Fall 2020

American Cultures Instructors by Gender & Ethnicity

Percent of Female Instructors (by Semester)

Female instructors make up a larger percentage of American Cultures instructors than they do on the campus as a whole.

Percent of URM Instructors by Semester

Underrepresented instructors make up a larger percentage of American Cultures Instructors than they do on the campus as a whole.
